

The Woman's Club of Rye

Need a Ride?

HITCHING A RIDE

Ride sharing comes to the Woman's Club of Rye. Want to go to a Club Day meeting and/or Section meeting but don't have a car available or the roads are too bad or you just simply want to go with someone? The Woman's Club of Rye has started a new ride sharing program. Just call H el ene Byrnes at 914-924-4468 or email mail: hlbyrnes@aol.com and let her know the exact time and location where you would like to be picked up and we will try to work our magic and find one of our volunteers to pick you up. The more advanced notice you give us, the better the chance to match you with a driver. This is a great way to get to club meetings so you will be able to enjoy the wonderful programs.

When you call please leave your name, address, phone number and meeting you want to attend. You will be contacted if we can find you a ride or not. What better way to meet new people or get reacquainted with old friends!!!
